

## **Press Release**

### **SkyPower Wind Energy Fund LP Continues Exclusive Negotiations for the Sale of its Terrawinds Project to SkyPower Corp.**

**TORONTO, November 13, 2007/CNW/** - SkyPower Wind Energy Fund LP (the "Partnership") announced today that exclusive negotiations with SkyPower Corp. are continuing with respect to SkyPower Corp.'s previously announced proposal to purchase the Terrawinds wind energy project near Rivière-du-Loup, Québec. The Partnership will make further announcements with respect to the negotiations as material developments occur.

#### **About SkyPower Wind Energy Fund LP**

The Partnership has invested in the common shares, including flow-through shares, of Terrawinds Resources Corp., a Canadian corporation formed for the purposes of constructing and operating a 166MW wind energy project near Rivière-du-Loup, Québec which would generate electricity for sale to Hydro-Québec pursuant to a 21-year power purchase agreement.
